Tracys Camp holds each guest group leader responsible for the activities and conduct of their group's members. This includes ensuring that proper leadership/camper ratios are satisfied (1:7 youth, 1:5 children), Tracys policies are followed at all times and each guest respects the personhood of fellow guests. Also, Tracys Camp holds the leadership and organization leasing space for conferences, retreats, and camps responsible for the physical and moral conduct of their group. Every effort should be made to ensure chaperones and counselors of children and youth are properly screened to protect campers from acts of abuse. This screening might include but is not limited to background checks, criminal record checks, interviews and fingerprinting. I have read and agree to follow both the retreat contract and the reservation policy (attached separate)
